Dear Friend of the Museum:

On behalf of the Shenandoah Valley Discovery Museum, we extend our sincerest gratitude for your recent gift!

Your generosity in contributing \$1,500.00 for Engagement Carts through the Cochran Family Youth Fund not only supports our museum but also plays a crucial role in enhancing childhood education within our community.

Your commitment to our mission is invaluable. Your donation enables us to provide hands-on interactive play, innovative STEAM programming, engaging field trips, and enriching Summer Camps. Moreover, it allows us to remain an essential contributor to healthy family systems and robust kinesthetic education. We are in our 28th year of learning through play and because of you, we continue to elevate our exhibits and programming!

Your continued support is a testament to your belief in the power of play and education. Together, we are shaping a brighter future for our children. Once again, **THANK YOU** for your generosity and for being a valued part of our mission.

Sincerely,
