WHO WE ARE

OUR MISSION

To inspire philanthropy for the benefit of the City of Winchester and the Counties of Clarke, Frederick and Warren.

OUR VISION

To create a healthy and vibrant community through engaged philanthropy, community knowledge and leadership.

OUR VALUES

Helping individuals, families, businesses and non-profit agencies achieve their charitable and financial goals by providing tools and resources that make giving easy, flexible and effective.

A MESSAGE FROM OUR PRESIDENT

CARY CRAIG, JR.
2024 Board President

Another highlight was the 103 competitive and noncompetitive grants we awarded this year, totaling more than \$1 million. These grants have empowered numerous nonprofits to expand their services, innovate, and address critical needs within our community.

Our signature Community Campaigns—Chain of Checks and Coats for Kids—have once again exceeded expectations. Chain of Checks raised \$25,000 to benefit six local nonprofits, while Coats for Kids raised \$24,000 and distributed 1,000 new coats to kids in need, thanks to the generosity and compassion of our community members. (Read more about these campaigns on page 7.)

Dear Friends and Supporters:

As we reflect on our achievements in 2024, I am filled with immense gratitude for the unwavering support of our community. This year has been a testament to the power of collaboration and the profound impact we can achieve together.

Highlights of this year include Community Star Award recipients John and Joyce Marlow, champions of building stronger communities for everyone in the NSV. Read more about the Marlows on page 4.

CFNSV has continued to connect philanthropists to nonprofits, fostering partnerships that build more resilient communities. Through strategic collaborations and innovative approaches, we have strengthened the fabric of our community, ensuring that every individual has the opportunity to thrive.

It has been an honor to have served as Board President, and I thank you for your continued support and dedication to our shared vision.

With gratitude,
Cary Craig

WE SALUTE OUR 2024 STEWARDS

COMMUNITY CAMPAIGNS

CHAIN OF CHECKS AWARDS \$25,000 IN GRANTS IN 2024

The Chain of Checks campaign to support local non-profits was founded by local radio host Barry Lee (pictured at right) in 1986. In 2013, the Community Foundation of the Northern Shenandoah Valley became the campaign's fiscal sponsor, and we are proud to continue Barry's time-honored tradition of giving. Six nonprofits received CoC funding in 2024. Since the campaign began, **Barry has raised over \$2 million,**

Winchester Area Temporary Transitional Shelter (WATTS) — \$5,000 to help maintain and operate a bus that transports 35 guests each night during cold-weather months to a local host church where people experiencing homelessness may enjoy a free meal and safe place to sleep.

Winchester Rescue Mission — \$5,000 to offset the purchase of 25 heavy-duty, easy-to-clean beds and mattresses for the nonprofit's emergency shelter on Valley Avenue.

Blue Ridge Habitat for Humanity — \$5,000 to improve the marketing and outreach of its ReStore home improvement center in Winchester, which raises money to help the nonprofit build and rehabilitate houses for families in need.

The Laurel Center — \$5,000 to support its outreach programs for victims of domestic and sexual violence to raise awareness of the nonprofit's emergency shelter and services on North Cameron Street.

Blue Ridge Legal Services Inc. — \$2,000 to help it continue to provide free legal assistance to low-income residents of the Northern Shenandoah Valley.

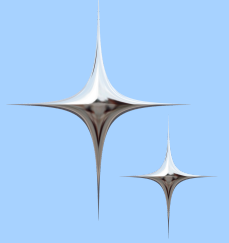

Wesley Housing's Senseny Place — \$3,000 to help provide affordable housing and support services for low-income older adults.

COATS FOR KIDS HELPED 1,000 CHILDREN IN NEED

In partnership with the Rotary Club of Winchester, the CFNSV raised enough funds to purchase and distribute 1,000 new coats in 2024—totaling 10,000 coats since the Community Campaign's inception. Special thanks to 2024 supporters **Arby's, Virginia Property Group, AES Foundation and Q102 FM**, as well as distribution partners **CCAP, Bright Futures, Timber Ridge School, Froggy's Closet, Freemont Street Nursery, Frederick Douglass Park and Winchester Day Preschool**—and to everyone who donated to this annual campaign.

2024 COMMUNITY STARS AWARD

Perhaps no couple has had the breadth and depth of impact in Warren County as John and Joyce Marlow (above, right). Sadly, John passed away shortly after receiving our award. We are thankful to have been able to honor his contributions to our community — and there were plenty.

As the long-time owners of Marlow Auto Group, John and Joyce grew the business into three dealerships: Marlow Motor Company in Front Royal, Tri-State Nissan in Winchester and Marlow Ford in Luray. Together, they had a head for business but a heart for community building.

John was a long-standing member and past president of the Rotary Club of Front Royal, he served on the Warren County Board of Supervisors, was a founding director the Lord Fairfax Planning District Commission and the Peoples Bank of Front Royal—and he served as Mayor of Front Royal for eight years. John also served as director of the Museum of the Shenandoah Valley and chair of the Board of Trustees at Shenandoah University. He is greatly missed.

Joyce Marlow continues to make lives better in Front Royal through acts of service too numerous to list. She has a knack for identifying needs in the community and meeting those needs through fundraising for nonprofits and being a compassionate friend to anyone in need.

We are grateful for the Marlows' selfless generosity and dedication to community building in the NSV.

The mission of Girls on the Run is to inspire girls to be joyful, healthy and confident using a fun, experience-based curriculum that creatively integrates running. At Girls on the Run, participants are inspired to recognize their inner strength, increase their level of physical activity, imagine their possibilities and confidently stand up for themselves and others.

IMPACT

Since its founding in 2011, the Girls on the Run Shenandoah Valley Council has **served over 5,000 girls** across Winchester, Harrisonburg and surrounding counties in Northern Virginia and the Eastern Panhandle of West Virginia.

IMPACT STORIES

ST. LUKE COMMUNITY CLINIC

BACKGROUND

A recipient of a CFNSV grant, St. Luke Community Clinic was founded to narrow the healthcare gap for uninsured adults residing in Front Royal and Warren County, VA. Staffed by volunteer and professional clinicians, St. Luke delivers free or low-cost primary medical, women's, mental health, medication assistance and limited dental services to people living below 200% of the federal poverty level.

MISSION

St. Luke Community Clinic is dedicated to delivering high-quality, affordable, compassionate primary, women's, behavioral health, and dental care to low-income, uninsured, or under-insured adults in Front Royal and surrounding Warren County. Through volunteer staffing, community partnerships, sliding-scale fees and patient assistance programs, the clinic strives to reduce barriers to care and promote overall health and wellbeing.

IMPACT

The funds from the CFNSV grant was used to purchase dental hygiene supplies and oral hygiene educational materials that were distributed to low-income individuals at community events, health fairs, the county fair and local farmers' markets--leading to a reduction of oral abscesses among the clinic's dental patients.
