Dear Ms. Silva:

On behalf of Shenandoah University, please accept our sincere appreciation for the recent grant of \$1,250.00 administered through the Boxley-Fox Endowment Fund. Thank you for designating these funds to benefit "The Shenandoah Chanting Its Endless Requiem: Exploring Battle's Impact on Families & Veterans through the McCormick Civil War Institute (MCWI). Thank you for your support as the MCWI promotes an understanding and appreciation for the Civil War. Jonathan Noyalas continues to develop programs that engage all age-levels, and we are deeply grateful for the wonderful work he is doing in our community.

It is wonderful to see our university campus buzzing with excitement this semester. We look forward to watching our students transform into the leaders of tomorrow as they embark upon new classes and programs, Conservatory performances, social and sporting events, and so much more. Shenandoah could not provide these experiences without the steadfast commitment of our friends like you.

Thank you for the Foundation's loyalty to our students and to Shenandoah University.

Sincerely,

Marguerite Landenburger
Assistant Vice President for Grants and Research
