Dear Community Foundation of the Northern Shenandoah Valley,

Thank you for generously selecting Samuels Public Library as a recipient of a gift made through the Cochran Family Youth Fund.

Received on October 9, 2024, the \$2,500 grant will play a critical role in funding the Library's 2025 Children's Winter Reading Club program. This much-anticipated and cherished community program inspires youth and encourages readers to take on new challenges as they try to reach their reading goals. Thank you for making this special program possible.

We look forward to reporting on the success of the Reading Club program in 2025.

Sincerely,

Thank you all so much for the support we plan to have an amazing Winter Reading Club this year and that is due to the wonderful Community Foundation Grants again!
